EDUCATION

+2
Nepal Higher Secondary School

07/2013 – 07/2015   *Ratnanagar-2 Tandi Chitwan, Nepal*

Courses
- Science

Bachelor
Lumbini ICT Campusjj

09/2015 – Present   *Gaidakot-2 Nawalparasi, Nepal*

Courses
- Computer Science and Information Technology

SKILLS

Data Analysis   NLTK   Django

Desktop application   SCO   Report Writting

PERSONAL PROJECTS

Comparative analysis of Supervised and Unsupervised Machine learning Algorithm and predict on Election Result (07/2018 – 12/2018)
- Role: literature review/programmer
- Used pandas, sci-kit learn and matplotlib
- Document Term using tf-idf vectorizer
- Applied Naive Bayes , Support Vector Machine and K-Mean Clustering

CERTIFICATES

SCO Literacy And IT Career Counselling Program (10/2015)

SCO and Digital Marketing Training (03/2018)

Git and Electrons (09/2016)

PROGRAMMING LANGUAGE
